

Lewisville Citizen Alert

If we can't reach you, we can't alert you

Lewisville Citizen Alert is an emergency notification system used to make rapid emergency notifications to residents and businesses in the City of Lewisville. The system is used by City officials to deliver severe weather notifications and incident-specific information or potentially life-saving instruction to those in affected area(s).

Register your contact information using this form.

You may also register for Lewisville Citizen Alerts online at cityoflewisville.com.
