

# Proclamation

**Whereas**, military leaders have removed the elected leadership of Myanmar, contrary to the wishes of the Myanmar people; and

**Whereas**, the United States government has condemned the military coup in Myanmar and demanded that election results be honored and upheld; and

**Whereas**, the United Nations Security Council has expressed strong international support for democracy in Myanmar; and

**Whereas**, nearly 5,000 members of the Lewisville community have roots in Myanmar, and many are worried about the safety of family and friends still living in that country; and

**Whereas**, city leaders in Lewisville value our Chin residents and share their concerns over recent events in Myanmar; and

**Now, therefore**, I, Rudy Durham, Mayor of the City of Lewisville, Texas, and on behalf of the Lewisville City Council, proclaim Lewisville's support for its Chin residents, our concern for the people of Myanmar, and our hope that leaders in Myanmar will ensure the safety and wellbeing of that country's people by restoring democratic governance.

**Proclaimed** this the 27<sup>th</sup> day of February, 2021.
