

Proclamation

Whereas, water is a vital and precious resource for the City of Lewisville, and is necessary to sustain the economy, lifestyle desired by the citizens, public health, and general welfare; and

Whereas, The City of Lewisville and The Office of Sustainability work to educate citizens and raise awareness about the importance of water conservation through public outreach and the Residential Water Conservation Credit Program; and

Whereas, The City of Lewisville supports and participates in the Wyland National Mayor's Challenge for Water Conservation during the month of April; and

Whereas, every business, industry, school and citizen can make a difference when it comes to conserving water and thus promote a healthy economy and community; and

Whereas, to effectively adhere to the City's 2025 plan, every effective means to promote wise water use and prevent water waste should be employed to ensure a sustainable water supply for future generations; and

Now, Therefore, I, Rudy Durham, Mayor of the City of Lewisville, along with the members of the City Council, do hereby proclaim the month of April 2021 as:

“Water Conservation Month”

Proclaimed this the 5th day of April, 2021.

Rudy Durham, Mayor
City of Lewisville
