

PROCLAMATION

Support of Cybersecurity Awareness Month 2023

WHEREAS, the City of Lewisville recognizes their vital role in identifying and responding to cybersecurity threats, that may have significant impact to residents, as well as our individual and collective safety and privacy; and

WHEREAS, cybersecurity education and awareness is crucial for everyone, including large corporations, small businesses, financial institutions, schools, government agencies, the home user, and anyone who connects to the internet, be it with a computer, mobile phone, or other internet-connected device; and

WHEREAS, we showcase the need to inspire, engage, and inform the public about steps that all citizens of Lewisville can take to protect themselves online. Heightened awareness of essential cybersecurity measures will contribute to keeping the overall community safe and secure online; and

WHEREAS, maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role to play, and awareness of essential cyber hygiene will improve the security of the City of Lewisville's information, infrastructure, and economy.

NOW, THEREFORE, BE IT RESOLVED THAT, the month of October 2023 is hereby designated as Cybersecurity Awareness Month in the City of Lewisville.

PROCLAIMED this 16th day of October 2023.

TJ Gilmore, Mayor
City of Lewisville
