LAKE PARK REDEVELOPMENT

GO Bond Project Cost

\$18,835,125

Project Details

Proposition

Public Safety Improvements – Proposition A
Parks, Open Space, and Recreation Improvements – Proposition C
Streets Improvements – Proposition D

Location

Lake Park

Description

This project will develop Lake Park for the highest and best use of the space, while conforming to U.S. Army Corps of Engineers guidelines. Funding is included for street infrastructure, improvements to recreational amenities such as the swim beach, boat ramps, courtesy docks, overnight facilities, pavilions, fishing piers, and other park assets. Funding is also included for lake fire support.

Lewisville 2025 Big Moves / Strategic Moves

#2 Extending the Green

The information presented here represents the preliminary recommendations of the Blue Ribbon Committee for potential projects to include in a possible May 2024 bond election. The dollar amounts and projects could change before the final recommendations are presented to the City Council for consideration and could be changed by the City Council before the election is called. This information is being presented in the interest of gathering public input prior to City Council action.
