

Instructions to find a property's tax statement

To submit an STR permit application, property owners must provide a receipt from the county where the property is located showing it is not in arrears on property taxes as of the date of the permit application submittal. Both Denton and Dallas County provide electronic tax statements.

Find your property tax statement through the Denton County Tax Office

1. Go to the Denton County Tax Office website at <https://taxweb.dentoncounty.gov/>.
2. Click on Property Search at the top of the page. If on a mobile device, first open the main menu by clicking on the three stacked horizontal lines on the right-side of the page, then click on Property Search.

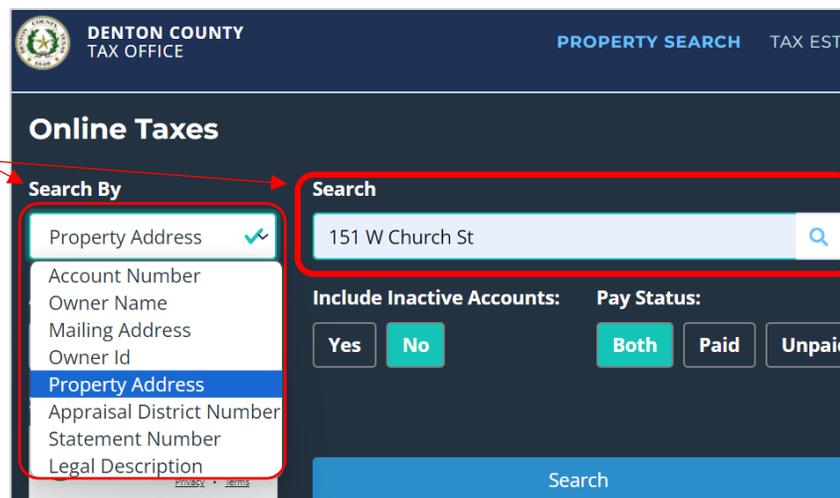

If on a mobile device, Open the main menu, select Property Search

3. Use the Search By drop-down to choose what parameters you'd like to search with. Type your information into the search field, then click the search button or hit enter.

Choose what you'd like to search by, then type your information into the search bar

4. Scroll down to view your search results. Locate your records and click on Details.

Find your property tax statement through the Dallas County Tax Office

1. Go to the main Dallas County page at <https://www.dallascounty.org/>.
2. From the main menu, select Services, then Property Tax Lookup/Payment Application. If on a mobile device, open the main menu by clicking on the three stacked horizontal lines on the left-side of the page. Tip: You may need to scroll down for the stacked lines to be visible. Select Services, then scroll until you find Property Tax Lookup/Payment Application.

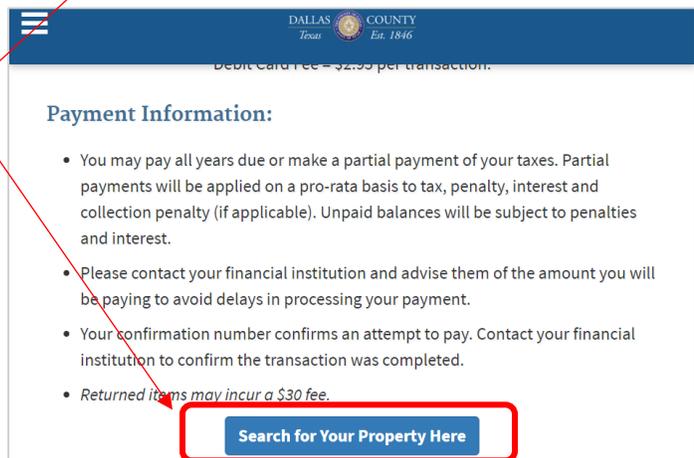

3. On the Property Tax Lookup/ Payment Application page, scroll down until you see the blue button labelled, "Search for Your Property Here."

Page view may vary slightly when on a mobile device compared to a desktop.

- Choose your search parameters using the options at the top. Type your information in and then click the Search button. Search results will appear below. Tip: Pay close attention to the search fields. Information that is typically searched together may need to be entered separately.
